Notwithstanding the foregoing, the presence of any Owner of a Tract at a meeting of Members permits the inclusion of the Tract represented when calculating any necessary quorum.

ARTICLE V **ASSESSMENTS**

5.01 Assessments. Each Tract Owner by acceptance of a deed therefore, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association the Assessments provided herein. The Assessments shall be a charge on the Tracts and shall be a continuing lien upon the Tract against which each such Assessment is made. Both Annual and Special Assessments must be fixed at a uniform rate for all Tracts subject to assessment and may be collected on a monthly basis or on an annual basis at the discretion of the Board of Directors. An Annual Assessment shall be paid by each of the Tract Owners and the Annual Assessment shall be used to pay all reasonable and necessary operating expenses and reserve requirements of the Association as herein provided. The Annual Assessment for the year of purchase shall be pro-rated as of the purchase date and then shall be paid annually.

The Annual Assessment is payable in advance and is due on the thirty first (31) day of January during each calendar year. All other matters relating to the collection, expenditure and administration of the Annual Assessment shall be determined by the Board of Directors of the Association, subject to the provisions hereof.

(b) The Board of Directors of the Association, by a vote at an open board meeting for which prior notice was given to Members in accordance with Section 209.0051(h) of the Texas Property Code, shall have the further right at any time to adjust, alter, increase or decrease the Annual Assessment from year to year as it deems proper to meet the reasonable operating expenses and reserve requirements of the Association and to enable the Association to carry out its duties hereunder. However, the Board of Directors shall not increase the Annual Assessment by more than ten percent (10%) from the previous year without the affirmative Vote of the Members.

5.02 Special Assessments. In addition to the Annual Assessment, the Association, upon the Vote of the Members, may levy Special Assessments from time to time to cover unbudgeted expenses or expenses in excess of those budgeted.

5.03 Interest of Assessment. Any Assessment which is not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law.

5.04 Creation of Lien and Personal Obligation. In order to secure the payment of the Assessments, each Owner of a Tract hereby grants the Association a contractual lien on such Tract which may be foreclosed, pursuant to the provisions of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with foreclosure pursuant to the provisions of the Texas Property Code, designate in writing a Trustee to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee may be changed at any time and from time to time by the association by means of written instrument executed by the President or any Vice-President of the Association and filed of record in the Official Public Records of Real Property of Houston County, Texas. In the event the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's agent, shall give notice of the foreclosure sale as provided by the Texas Property Code as then amended. Upon request by the Association, the Trustee shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended and shall convey such Tract to the highest bidder for cash by Trustee's Deed. Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with collecting the Assessments and foreclosing on the Tract, including reasonable attorney's fees and a reasonable trustee's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount of the Assessment in default; and third, the remaining balance shall be paid to the Tract Owner or Lien Holder for the benefit of the Tract Owner. Following any such foreclosure, each occupant of a Tract which is foreclosed upon shall be deemed a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action for forcible detainer.

In the event of non-payment by any Owner of any Assessment or other charge, fee, assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, exercise all other rights and remedies available at law or in equity, including but not limited to bringing an action at law against the Owner personally obligated to pay the same.

It is the intent of the Provisions of this Section to comply with the provisions of the Texas Property Code relating to non-judicial sales by power of sale. In the event of the amendment of the Texas Property Code, the Association, acting without joinder of any Owner or Mortgagee, may, by amendment to this Declaration, file any required amendments to this Declaration so as to comply with said amendments to the Texas Property Code or any other statute applicable to foreclosures.

Notwithstanding anything contained this Article V, all notices and procedures relating to foreclosures shall comply with Chapter 209 of the Texas Property Code, as amended and supplemented from time to time.

5.05 Notice of Lien. In addition to the right of the Association to enforce the Assessment, the Association may file a claim of lien against the Tract of the delinquent Owner by recording a

Notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have been accrued thereon, (d) the legal description and street address of the Tract against which the lien is claimed and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of Lien have been paid or satisfied, the Association shall execute and record a notice releasing the lien upon payment by the Owner of a reasonable fee as fixed by the Association to cover the preparation and recordation of such release of lien instrument.

5.06 Liens Subordinate to Mortgages. The lien described in this Article VI shall be deemed subordinate to any lien in favor of any bank, mortgage company, real estate lending establishment, financial institution, insurance company, savings and loan association or any other third party lender, including the Developer, who may have advanced funds, in good faith, to any Tract Owner for the purchase, improvement, equity lending, renewal, extension, rearrangement or refinancing of any lien secured by a Tract, provided that any such lien holder has made due inquiry as to the payment of any required assessments at the time the lien is recorded. Any consensual lien holder who obtains title to any Tract pursuant to the remedies provided in a deed of trust or mortgage or by judicial foreclosure shall take title of the Tract free and clear of any claims for unpaid Assessments or other charges against said Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any Assessments or other charges or assessments thereafter becoming due. Any other sale or transfer of a Tract shall not affect the Association's lien for Assessments or other charges or assessments. The Association shall make a good faith effort to give each such mortgage sixty (60) days advance written notice of the Association's foreclosure of an Assessment lien, which notice shall be sent to the nearest office of such mortgage by prepaid United State registered or certified mail, return receipt requested and shall contain a statement of delinquent Assessment or other charges or assessments upon which the said action is based, provided however, the Association's failure to give such notice shall not impair or invalidate any foreclosure conducted by the Association pursuant to the provisions of this Article VI.

5.07 Purpose of the Assessments. The Annual Assessments and Special Assessments shall be used exclusively for the purpose of promoting the health, safety, security and welfare of the Subdivision and the maintenance of the Common Areas. In particular, the Assessments shall be used for any Improvement or services in furtherance of these purposes and the performance of the Association's duties described herein, including the maintenance of any drainage easements, Common Areas, Common Area Expenses, the enforcement of this Declaration and the establishment and maintenance of reserve funds. The Assessments may be used by the Association for any purpose which, in the judgment of the Association's Board of Directors, is necessary or desirable to maintain the property value of the Subdivision, including but not limited to, providing funds to pay all taxes, insurance, repairs, utilities and any other expense incurred by the Association. Except for the Association's use of the Assessments to perform its duties as described in this Declaration, the use of the Assessments for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Board of Directors as to the expenditure of Assessments shall be final and conclusive so long as such judgment is exercised in good faith.

5.08 Handling of Assessments. The collection and management of the Assessment shall be performed by the Developer until the Control Transfer Date, at which time the Developer shall deliver to the Association all funds on hand together with all books and records of receipt and disbursements. The Developer, and upon transfer, the Association, shall maintain a separate account for these funds.

7.06 Duty to Provide Annual Financial Statement. The Association shall prepare an annual financial statement, including a balance sheet, for review by the Members.

7.07 Power to Acquire Property and Construct Improvements. The Association may acquire property or an interest in property (including leases and easements) for the common benefit of Owners including any improvements and personal property. The Association may construct improvements on the Subdivision property and may demolish any existing improvements.

7.09 Power to Adopt Rules and Regulation. The Association shall have the power to make reasonable rules and regulations regarding the use of the Common Areas. The rules and regulations may be enforced in the same manner as any other provision of this Declaration.

7.09 Enforcement of Restrictions. The Association (or any Owner if the Association fails to do so after reasonable written notice) shall enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or any Owner to enforce any covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter. If it becomes necessary for any Owner or the Association to file a Court action to enforce this Declaration, the defaulting Owner shall be liable for all reasonable attorney's fees and costs incurred by the enforcing Owner or the Association to obtain compliance by the defaulting Owner. The defaulting Owner shall be liable for all damages suffered by the enforcing Owner or the Association which shall be in an amount established by the Court.

7.10 Remedies. In the event a Tract Owner violates any of these Restrictions beyond the applicable notice and cure periods in accordance with Texas Property Code Section 209.0064, the Association, or its authorized representatives, may take any one or more of the following actions:

(a) Assess a charge of \$50.00 per day against any Owner and/or his Tract, with a single notice and opportunity for hearing pursuant to this Section, until the violating condition is corrected. The Violation charge may be increased by the Association by a vote of the Board at an open meeting in accordance with Texas Property Code Section 209.0051(h) with increases in the National Consumer Price Index using 2021 as a base year. Failure to pay such assessment by the violating Owner within the applicable notice and cure periods in accordance with Texas Property Code Section 209.0064 will result in a lien against the Tract with the same force and effect as the lien for Annual or Special assessments;

(b) File suit in order to enforce the above remedies and/or pursue any other remedy which may be available at law or in equity.

Unless, as specified below, the Association is not required to send a notice of violation to an Owner, the Association shall not impose any of the above remedies unless and until it gives written notice by verified mail to the Owner at the Owner's last known address (as shown in the Association's records), specifying: (i) the alleged violation and the amount due the Association; (ii) the action required to cure the violation (if the violation is "curable" as defined below); (iii) a reasonable time period during which the violation may be cured, if curable, which cure will allow the Owner to avoid a charge, fine or other enforcement; (iv) that the Owner may request a hearing, not later than thirty (30) days after the date the Owner receives the notice, and if such hearing is to be held before a committee, the notice must state that the Owner has the right to appeal the committee's decision by written notice to the Board of Directors; (v) that the Owner may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. App. Section 501, et seq.), if the Owner is serving on active military duty; and (vi) that the Association may collect from such Owner reimbursement of reasonable attorney's fees and other reasonable costs incurred by the Association relating to collecting amounts, including damages, due the Association for enforcing the terms of this Declaration, Bylaws, or other governing documents as the case may be. Notwithstanding any provision herein to the contrary, after a Owner receives the foregoing notice of a violation of this Declaration, the violating Owner shall not be entitled to any further notice of the same violation if it occurs within a six (6) month period.

For purposes hereof, a violation is "curable" if the violation is of a curable nature, as reasonably determined by the Board of Directors, and does not pose a threat to public health or safety. A violation is considered a threat to public health or safety if the violation could materially affect the physical health or safety of an ordinary resident. For purposes of this Section, a violation is considered incurable if the violation has occurred but is not a continuous action or a condition capable of being remedied by affirmative action. For the avoidance of doubt, the non-repetition of a one-time violation or other violation that is not ongoing is not considered an adequate remedy. Incurable violations include, but are not limited to, (A) an act constituting a threat to health or safety, (B) an ongoing nuisance or noise violation, and (C) property damage, including the removal or alteration of landscape.

If the Owner is entitled to an opportunity to cure the violation, the Owner has the right to submit a written request for a hearing to discuss and verify facts and resolve the matter in issue before a committee appointed by the Board of Directors or before the Board of Directors if the Board of Directors does not appoint a committee. The Association shall hold a hearing not later than thirty

(30) days after the date the Board of Directors receives the Owner's request for a hearing and shall notify the Owner of the date, time, and place of the hearing not later than ten (10) days before the date of the hearing. The Board of Directors or the Owner may request a postponement, and, if requested, a postponement shall be granted for a period of not more than ten (10) days. Additional postponements may be granted by agreement of the parties. The Owner or the Association may make an audio recording of the meeting. If an Owner requests a hearing pursuant to this Section, in accordance with Section 209.007 of the Texas Property Code, the Association shall provide the requesting Owner with a packet containing all the documents, photographs, and communications relating to the matter the Association intends to introduce at the hearing no later than ten (10) days before the scheduled hearing. If such packet is not provided to the requesting Owner within the time frame herein provided, the Owner shall be entitled to an automatic postponement of the hearing for a period no shorter than fifteen (15) days. During a hearing as herein contemplated, a member of the Board of Directors or designated representative of the Association shall first present the Association's case against the Owner and thereafter the Owner, or the Owner's designated representative shall be entitled to present the Owner's information and issues relevant to the dispute. An Owner is not liable for attorney's fees incurred by the Association relating to a matter described in this paragraph if the attorney's fees are incurred before the conclusion of the hearing or, if the Owner does not request a hearing, before the date by which the Owner must request a hearing. On written request from the Owner, the Association shall provide copies of invoices for attorney's fees and other costs relating only to the matter for which the Association seeks reimbursement of fees and costs. The above notice and hearing provisions do not apply if the Association files a suit seeking a temporary restraining order or temporary injunctive relief or files a suit that includes foreclosure as a cause of action.

The Association reserves the easement across each Owner's Tract for the purpose of correcting or removing conditions in violation of this Declaration, and in doing so, shall have no liability for trespass or other tort in connection therewith, or arising from such correction or removal of a violating condition. The Association shall further have the right to have any vehicle or other property stored or used in violation of this Declaration removed from the Owner's Tract at the expense of the Owner and stored at the expense of the Owner.

7.11 Remedies Not Requiring Notice. The Board of Directors may take the following actions to obtain compliance with this Declaration, Bylaws, and other governing documents if applicable without prior notice or a hearing:

- (a) to the extent permitted by applicable law, suspend a Member's right to vote in the Association if a Member is more than ninety (90) days delinquent in paying any Assessment;
- (b) exercise self-help or take action to abate a violation on a Lot in any situation which requires prompt action to avoid potential injury, threat to public health or safety, or damage or unreasonable inconvenience to other persons or their property (specifically including, but not limited to, the towing of vehicles that are in violation of this Declaration);
- (c) exercise self-help or take action to abate a violation occurring on the Common Areas, under any circumstances;
- (d) require an Owner, at its own expense, to perform maintenance or to remove any structure or

Improvement on such Owner's Lot that is in violation of this Declaration, the Bylaws, or other governing documents as applicable and to restore the property to its previous condition;

- (e) enter a Lot and exercise self-help to remove or cure any violating condition if an Owner fails to take action as required pursuant to subsection 8.12(d) above, within ten (10) days after receipt of written notice to do so, and any such entry shall not be deemed a trespass;
- (f) to the extent permitted by applicable law, bring a suit at law for monetary damages or in equity, or both, to stop or prevent any violation of this Declaration, the Bylaws, or other governing documents as applicable.

7.12 Application of Fees and Charges. Except as provided in Section 6.04 and 6.05 of these Restrictions, a payment received by the Association from the Owner of a Tract shall be applied to the Owner's debts in the following order of priority in accordance with Texas Property Code Section 209.0063(a):

- (a) Any delinquent Assessment;
- (b) Any current Assessment;
- (c) Any reasonable attorney's fees or reasonable third party collection costs incurred by the Association solely with Assessments or any other charge that could provide the basis for foreclosure;
- (d) Any reasonable attorney's fees incurred by the Association that are not subject to Section 7.12(c);
- (e) Any reasonable fines assessed by the Association; and
- (f) Any other reasonable amount owed to the Association.
